

RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

dated March 15, 2020, No. 222

on the provision of state material reserves to combat threats to health due to the occurrence of coronavirus

The Government

I. Approves that the State Material Reserves Administration provide free of charge for the entire territory of the Czech Republic, which is affected by the threat to health due to the occurrence of the coronavirus

1. material reserves to the basic corps of the integrated emergency system and the Army of the Czech Republic for the purposes of interventions within the affected areas and for direct humanitarian aid for the entire duration of the state of emergency;
2. emergency supplies and supplies for humanitarian aid by means of loan for use or handover for the purposes of consumption and permanent use for the duration of the state of emergency;

II. Instructs

1. The Chairman of the State Material Reserves Administration to ensure, in collaboration with the 1st deputy prime minister and the minister of interior, deputy prime minister, minister of industry and commerce, and minister of transportation, minister of defense, minister of agriculture, and minister of health, the fulfilment of tasks as per point I of this resolution;
2. the deputy prime minister and minister of finance to reimburse the costs in the amount corresponding to the payment of value-added tax and consumer tax in connection with the state material reserves made available as per point I of this resolution to the State Material Reserves Administration.

To be implemented by:

1st deputy prime minister and minister of interior
deputy prime minister and minister of finance
deputy prime minister, minister of industry and commerce, and minister of transportation
minister of defense, minister of agriculture, and minister of health
Chairman of the State Material Reserves Administration

Ing. Andrej Babiš, m. p.
prime minister
