

RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

dated March 18, 2020, No. 250

to increase the protection of population - tracking

The Government

- I. **Approves** the specification of rules and creation of a legal framework for tracking of location of persons, who have been demonstrably infected by covid-19 within the monitored period of time and with their informed consent;
- II. **Instructs**
 1. The minister of healthcare to implement the procedure as per point III, option 1 specified in the report of the material No. 230/20;
 2. The minister of healthcare to enter into a contract as per option specified in point II/1 hereof no later than March 19, 2020;
 3. Issue extraordinary measures pursuant to Section 80(1)(g) in connection with Section 69(1)(j) of the act No. 258/2000 Coll., on the public health protection and amending of several related acts, as amended, no later than March 18, 2020.

To be implemented by:
minister of healthcare

Ing. Andrej Babiš
prime minister
