

RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

dated March 18, 2020, No. 251

**on the recommendation to disinfect
several publicly accessible premises**

The Government

Recommends, in order to protect public health in connection with the spread of the COVID-19 disease,

1. all operators of retail shops to disinfect shopping baskets and trailers after each use and door knobs and handles at least once in an hour;
2. all operators of public transportation to disinfect places that people often touch (in particular knobs, handles, door controls, armrests) at least after each drive.
