

RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

dated March 19, 2020, No. 263

to secure the purchase and distribution of protection devices needed for resolving and prevention of the epidemic of COVID-19 disease caused by the new coronavirus designated SARS-CoV-2 by the Ministry of Interior and Ministry of Health

The Government

- I. **notes** that Ministry of Health and Ministry of Interior (especially from the Chinese Peoples Republic) purchases the protection devices and other equipment needed to resolve and prevent the epidemic of COVID-19 disease caused by the new coronavirus designated SARS-CoV-2, in public interest and that these ministries are entitled to purchase these devices also for the purpose of their distribution to state and non-state subjects and citizens of the Czech Republic under point II. of this Resolution.
- II. **instructs**
 1. the Minister of Health to ensure operative distribution of protection devices to persons under the Annex of this Resolution, through the hand-over protocols.
 2. 1. Deputy Prime Minister and Minister of Interior to
 - a) ensure operative distribution of protection devices to state and non-state subjects, especially through regional self-government on the basis of hand-over protocols,
 - b) ensure operative distribution of protection devices (drapes) to citizens of the Czech Republic through the Czech Post, self-government or by other appropriate means.
- III. **permits**, under Section 21 (2) of the Act No. 219/2000 Coll., on the Property of the Czech Republic and its representation in legal relationships, as amended, the exception for the Ministry of Interior from the condition of permanent uselessness under Article 21 (1) of the said Act in relation to the above personal protection devices for the purpose of their distribution to all state and non-state subjects in need.

To be implemented by:

1. Deputy Prime Minister
2. Minister of Health

Ing. Andrej Babiš, m. p.
Prime minister
