

RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC

dated March 26, 2020, No. 301

**on the evaluation of availability of hand disinfection products on the market on the
territory of the Czech Republic**

The Government:

instructs

1. the Deputy Prime Minister, Minister of Industry and Trade and Minister of Transport
 - a) to collect and assess information about the production, structure and supply to the market of personal hygiene products intended for hand disinfection supplied to the market on the basis of Decisions issued by the Ministry of Health for the duration of the state of emergency in accordance with Article 55 par. 1 of the Regulation of the European Parliament and of the Council (EU) No. 528/2012, concerning the making available on the market and use of biocidal products, in order to assess the necessity of Decisions issued in accordance with Article 55 par. 1 of the Regulation of the European Parliament and of the Council (EU) No. 528/2012,
 - b) inform without delay the Minister of Health about the availability of personal hygiene products intended for hand disinfection,
2. the Minister of Health to revoke the Decisions issued in accordance with Article 55 par. 1 of the Regulation of the European Parliament and of the Council (EU) No. 528/2012, immediately after receiving information referred to in paragraph 1.b) of this Resolution.

To be implemented by:

Deputy Prime Minister, Minister of Industry and
Trade and Minister of Transport,
Minister of Health

Ing. Andrej Babiš, m.p.
Prime Minister
