

## **RESOLUTION OF THE GOVERNMENT OF THE CZECH REPUBLIC**

dated March 26, 2020, No. 308

**on extraordinary measure of the Ministry of Health to ensure necessary information on patients with COVID-19 disease**

### **The Government**

**acknowledges** the issuance of the extraordinary measure by the Ministry of Health, ref. no.: MZDR 12996/2020-1/MIN/KAN, as set out in the Annex to this resolution, ordering, with effect of March 24, 2020, 6:00 p.m., all providers of acute inpatient care to:

- fill in and send a complete report "Record of hospitalised positive finding" in the Informative System of Infectious Diseases (ISIN), in an ISIN-COVID-19-Clinic module, which is administered by the Ministry of Health and is governed according to the Act No. 258/2000 Coll., every day by 10:00 a.m. regarding each patient with a COVID-19 disease that was in the provider's inpatient care in the previous day;
- report, in the same way as mentioned above, within one hour of the occurrence of any of the following events, that they have received a patient with a COVID-19 disease in serious condition or whose health condition requires the use of respiratory equipment support, or whose health condition requires the use of an extra corporal membrane oxygenation (ECMO);
- report, in the same way as mentioned above, within one hour of the occurrence of any of the following events, that the health condition of a patient with a COVID-19 disease, who has already been in inpatient care, has changed to a difficult state or newly requires the use of respiratory equipment support, or newly requires the use of an extra corporal membrane oxygenation (ECMO).
